## Measurements:

- Basic White: 8 1/2" x 5 1/2", 5" x 3-3/4", 1/2" x 3" for the greeting and scrap for the hamster
- Basic Black: 5-1/8" x 3-7/8" and large scrap for the circle
- DSP: Large scrap for the circle and small scrap for the hearts

## Instructions:

1. Stamp the hamster onto Basic White card stock with Tuxedo Black Memento ink. Color with the Gray Granite and Peach Pie Blends as shown.
2. With the Stampin' Cut & Emboss Machine, cut out the hamster with the corresponding die from the Hearts & Hugs. Cut the hearts out from the DSP.
3. Cut a circle from Basic Black card stock using the Stylish Shapes dies using the largest die. Cut a circle from the DSP, using the second from the largest die.
4. Stamp the greeting onto the strip of Basic White cardstock and use Paper Snips Scissors to cut a fishtail at each end.
5. With the Dotted Circles 3D Embossing Folder, emboss the Basic White layer.

6. Fold the card base in half and assemble the card using Dimensionals to add the hamster.
7. To finish the card, add two Peach Pie embellishments.
