## Measurements:

- Basic White: 4" x 5 ¼"

## Instructions:

1. Fold Mossy Meadow cardstock in half to create the card base.
2. Using a blending brush, lightly add Crushed Curry ink to the front of Basic White cardstock. Follow with Pumpkin Pie, Cajun Craze, and Mossy Meadow inks, blending each color softly.
3. Use a splatter stamp from any set you may already have and apply Crushed Curry ink to the front of the card for added texture.

4. Stamp leaf images with a Versamark ink pad.
5. Sprinkle copper embossing powder over the Versamark-stamped leaves. Shake off any excess copper embossing powder.
7. Stamp additional leaves with Versamark ink.
8. Sprinkle gold embossing powder over the new stamped leaves.
9. Set the embossing powders with a heat tool until they melt and shine.
10. Glue the Basic White cardstock to the front of the card base.
11. Stamp a sentiment from the Autumn Leaves set onto a scrap piece of Mossy Meadow cardstock.
12. Sprinkle with clear embossing powder, shake off any excess, and set with the heat tool to emboss.
13. Cut out the sentiment with a circle die and glue it to the front of the card.
14. Cut brushed metallic cardstock in copper and gold using your desired leaf die cuts, then adhere them to the front of the card using glue and Stampin' Dimensionals.
15. Add a bow to complete the card.
