## Instructions:

1. Burnish card base in half along the score line.
2. Die cut the Basic White panel with the Nested Essential die – (largest die)
3. Use Garden Green ink to stamp a stem onto the Nested Essential die.
4. Use Strawberry Slush ink to stamp a few leaves onto the top of the card front – stamping so that it will show from behind the Nested Essential shape.
5. Stamp greeting with Strawberry Slush ink on right side of Nested Essentials shape.
6. Using the scrap piece of Basic White, use Strawberry Slush ink to stamp the flower – for the solid part of the flower, ink the stamp and then stamp off on a scrap paper before stamping on the Basic White panel.  
For the detailed part of the flower, stamp directly from ink pad to the Basic White cardstock, positioning over the stamped off flower.

7. Stamp two leaves with Garden Green ink, stamp the center of the flower – the more solid one with Daffodil Delight ink, then the detailed stamp with Pecan Pie ink.
8. Die cut the flower, leaves and flower center.
9. Adhere the Basic White and DSP panels to card front.
10. Adhere the Nested Essential shape with dimensionals.
11. Glue the flower center to the flower. Attach flower to card front with Dimensionals.
12. Glue the leaves in place.
13. Embellish with the Strawberry Slush & Pretty in Pink Gems.
14. Glue the inside panel to card.
