Instructions:

1. Die cut the 3rd largest rectangle from the branching out dies, from the center of the piece of pattern paper. Save the die cut piece for another project. You'll use the negative space for this project.

2. Using pecan pie ink and a blending brush, add ink around the edges of the dsp (both inside and outside) and the card base.
3. Add the dsp to the card front.
4. Die cut one of the large leaves from the Gathering Moments dies from the piece of cajun craze card stock.
5. Run it through the machine again using the damask designs embossing folder.
6. Crinkle the leaf in the palm of your hand and add ink around the edges using pecan pie. Add that to the card front using dimensionals.
7. Tie a bow with the espresso twine and add it to the card front.
8. Stamp desired greeting using early espresso ink and fussy cut it. Add to card front using dimensionals.
9. Finish off the card with some of the streaked dots.
