Instructions :

1. Score and fold the Very Vanilla card base at 4 1/4"
2. Run the DSP through the Cut & Emboss Machine with the Damask EF and adhere it to the card base.
3. Run the vellum piece through the Cut & Emboss Machine with the second largest Textured Notes die.
4. Stamp the large floral image from Gallery Blooms with Stazon Ink.
5. Turn the stamped vellum piece over and place it on the Stampin' Pierce mat.

6. In a circular motion, use the stylus tip(s) from the Take-a-Pick tool and push the vellum out on the open areas of the stamped image. The Vellum will turn white and puffed out on the front side.
7. Add Stampin' Dimensionals to the back in the white areas of the image so no adhesive shows through. No additional adhesive is needed.
8. Add a sentiment in the lower right from the Beautiful Motifs stamp set and finish with a bow from the baker's twine with a Mini Glue Dot.
9. Adhere the panel to the card base.
