- DSP: 2 x 4 and 3/4 x 4
- Basic White: 4 x 5 1/4 plus enough for stamped pieces and scallop die cut

Instructions:

1. Using a stencil cut from the background die, a blending brush, and Cloud Cover ink. Stencil the background onto the Basic White layer. Use the blending brush to add more Cloud Cover over the stenciling.
2. Use the Cloud Cover blends to add speckles to your card. Attach Secret Sea DSP to the Basic White layer.
3. Attach the scallop to the strip of DSP and attach it to the Basic White layer. Tie Baker's twine around the layer and tie into a bow. Attach to the card base.

4. Stamp flowers, leaves, and the sentiment in Secret Sea and Old Olive inks, then cut out with dies.
5. Color two flowers with Cloud Cover blends. Attach stamped images to the card base. I used one dimensional on the top flower.
6. Cut out stamped sentiment and attach to card base.
7. Use the Cloud Cover blends to speckle the card.
8. Add some dots to your card.
