Measurements:

- Petal Pink: 4 ¼" x 11" card base
- Secret Sea: 4" x 5 1/8" banner
- Basic White: 3 5/8" x 4 ¾" banner
- Basic White: 4" x 4" for stamping
- Lovely Blossoms DSP: 3 ¾" x 2 ½"

Instructions:

1. Score the Petal Pink card base on the long side at 5 ½" and fold. Then, run the closed card base through the Stampin' Cut & Emboss Machine with the 5th largest Party Banner Die. Have the fold of your card at the top leaving the top edge of the die off the card near the fold. You don't want to cut the fold off. You will cut the other three sides by making the sides a little narrower and the bottom into a banner.
2. Die cut the Secret Sea cardstock using the 6th largest Party Banner Die. Then, attach that banner to the card front using Stampin' SEAL.
3. Cut the Basic White cardstock using the 7th largest Party Banner Die. Add the banner to the card front on top of the Secret Sea layer.

4. Using the piece of DSP die cut using the linked circles die. Then, attach that to the center of the card front using liquid glue.
5. With the last piece of Basic White cardstock stamp, two leaves in Old Olive ink, two flowers and one sentiment in Secret Sea ink. Then, die cut the flowers, leaves, and sentiment using the coordinating dies in the bundle.
6. Color the flowers lightly using Petal Pink Stampin' Blends.
7. Add the flowers, leaves, and sentiment to the card using Stampin' Dimensionals as shown.
8. Lastly, add three Moody Palette Glossy Dots to finish.
